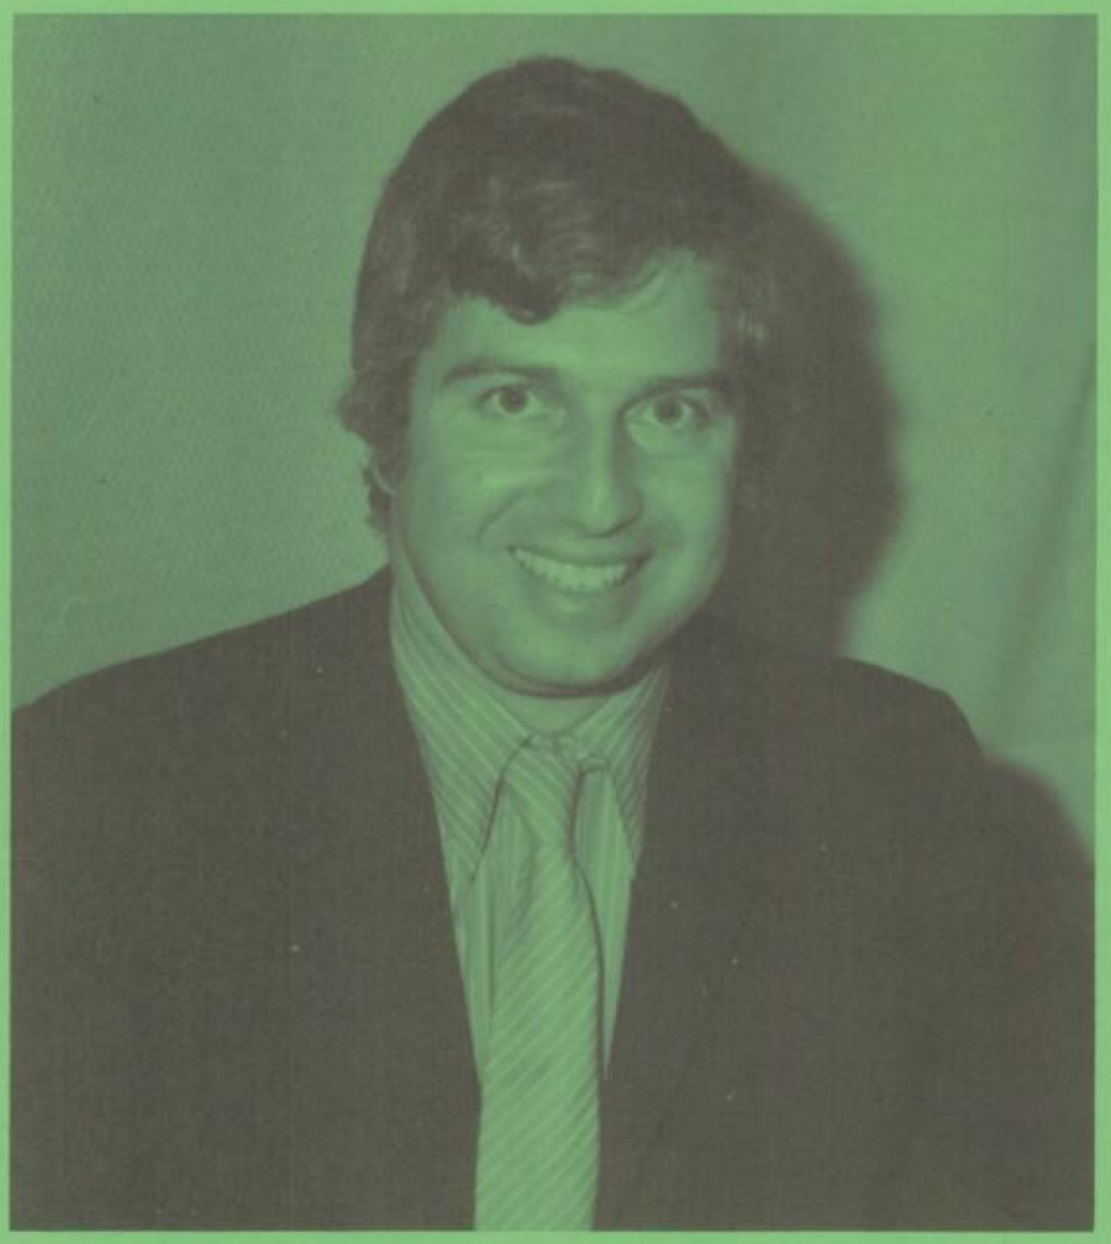
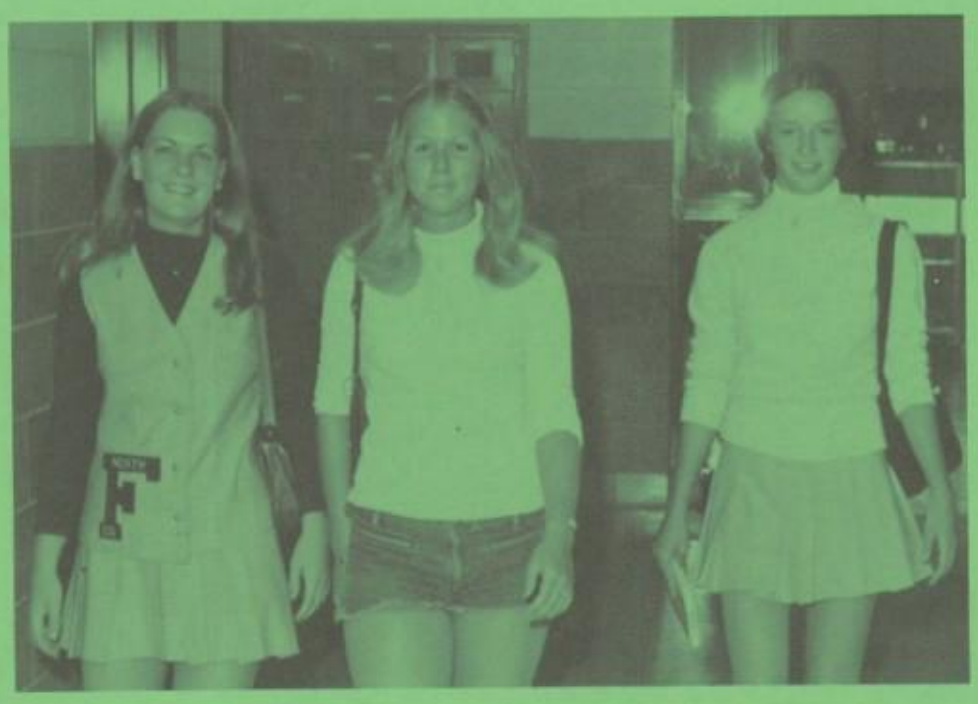
Dedication
Mr. Richard J. Kropp

For four years, our class has had a concerned and dedicated grade administrator. In those years of growth and change, it was good to have someone standing by to help. With greatest appreciation from the class of '75.



"Climb every mountain,
Search high and low,
Follow every byway,
Every path you know . . ."

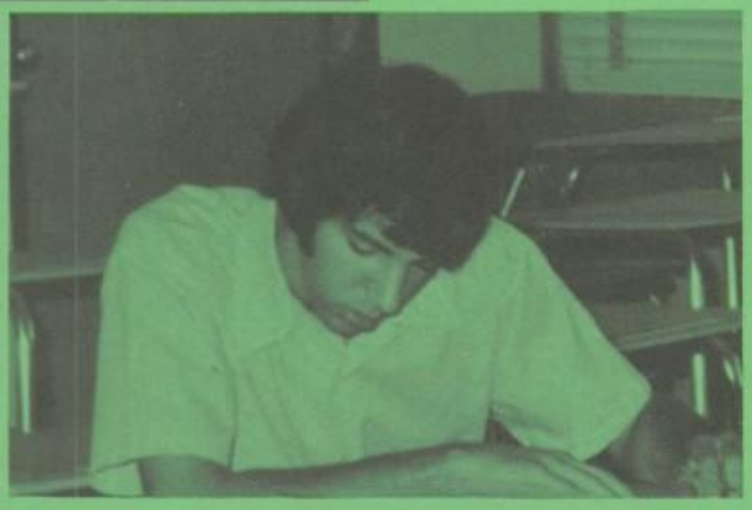
Our eyes are turned toward the future; But we will not forget the times we leave behind . . .



for what we are to become
depends very much on
what we are now —

what we do,

what we think,



what we dream.

Each of us has a special hope for the future, an ideal, different from all others . . .

But the joy of fulfilling that dream will be the same for us all.

Freshman year . . . meeting new people, making new friends.

We were afraid of the big seniors, of the bigger administrators . . . and even of ourselves.

In spite of it all, we got through that year . . .

and then we were rough-and-tough sophomores.

That year, we ruled North High from 12:30 to 5:30, and thought we had conquered overcrowding.

We grew up fast . . . boy, did we grow up fast!

Junior year passed quickly, and *suddenly* . . .

We were seniors (big, bad *seniors)*. Nobody pushed us around!

hen before we knew it, the fun was over, our plans were made . . . but we
vill always remember that magnificent, stupendous, fantasmagorical class of
75. (Please feel free to give yourselves a hand).

WKOX TROPHY

This year's cross country team, captained by senior Tom Davitt and Junior Bill Bove, started off with a big win against cross-town rival South to retire the WKOX trophy. However, unforeseen casualties intervened to create problems. Despite the injuries, members of the team put their legs together to earn respect for the school.

Coach H. Lufkin

This was the first year for a swim team here at North. With great coaching by Mrs. Heather Lufkin, they had a successful season, a winning 4-3 record. Just goes to show that a lot of team spirit and hard work have beaten the odds. Looking forward to better seasons in years to come.

In their first year the North High swim team had a successful 4-6 season, which can be accredited to the overwhelming turnout of talented swimmers. School records were established by John Snook, Andy Bennett, Co-capt. Barry Bennett, Rick Liner, Co-capt. Bruce Lerner, and Mark Batzer, in a total of eleven events. The entire team has done an excellent job and will surely add to the future success of North High's newest sport.

OUCH!

!!!

This year's soccer team was, despite a below five hundred finish, offensively explosive and exciting to watch. Co-Captains Kurtz and Egasti led the young Spartans to a respectable fourth place finish in a tough Bay State League.

Led by high scorer Jerry Particelli the Spartan offense tallied more goals than any preceding North soccer team.

The team, which had four sophomores and only five returning lettermen, turned in some thrilling efforts, including a 1-1 deadlock with league champions Needham and a 3-0 destruction of crosstown rival South. Included on the team were first string all-stars Jamie Egasti and Lou Papadellis.

All-Star Beling

This year's football team displayed an outstanding enthusiasm that even a 2-8 overall record couldn't diminish. The team was co-captained by seniors Craig Beling and John Gallagher, who exhibited excellent leadership in the fine Spartan tradition. One of the high points of the season was the game with Super Bowl champs Natick, in which the tenacious Spartan defense allowed only ten points before losing 10-6. This was the last season for Head Coach Angie Insalaco, who compiled an overall 48-46-6 record during his coaching career at North High.

The Spartan basketball team finally arrived in "75." Behind Co-Captains Greg Hagopian and Dan Comisky, the Spartans overcame early season losses, playing with their backs to the wall to finish up with an 11-7 record. This made the team eligible for the State Tournament for the first time in North's history.

Center Hagopian averaged 14 points and 13 rebounds per game and was named to the BSL all-star team. Other seniors contributing to the winning effort were Rick Linet, Bob Hedrick, Steve Krasnoff, and Don Fitch. Juniors Dave Alpert, Eric Hill, and Tim McMahon will be the nucleus of next year's Spartan team.

Co-captains Joanie Quinlan and Carol Schirmer helped the basketball team this year to a successful 6-4 season, which included an important win over South. The starting team consisted of Joanie and Carol, and Leslie Knepp, Debbie Wilson, and Les St. George. Joanie Quinlan was voted MVP and was chosen as a BSL all-star.

Due to difficulties, the picture of the freshman team was unable to be taken. However, we recognize the accomplishment of the following girls, who gave the team a final record of 7-2. T. Hegarty, L. Curado, E. Johnson, Y. Nunley, J. Dallamora, L. Knight, D. Magué, J. Church, D. Baum, C. Samra, M. Milette, J. Briss, V. Knepp.

Won: 8

Lost: 15

The Spartan hockey team had a disappointing season, but in spite of its 3-15 BSL record (8-15 overall), there were some bright spots in the season. One of these was the super play of Co-Captain and Goalie Steve Davis. His fantastic net minding skills were rewarded with an All-Star selection from the Bay State League. Co-Captain Kurt Wenzell was the leading scorer for the Spartans; he lit the lamp 6 times and added 12 assists for a total of 18 points.

Another good point was the promising play of the sophomore line of Art Zonghetti, Jim Casey, and Bill McGaughey. These three hockey players will undoubtedly bring two more fine years of hockey for coach George Minarksy.

Mr. Gallagher — Principal

Involvement! More than any other thought I could share with you, involvement has to be the keynote. Your class stayed involved academically, socially, athletically, and in the community at large. This type of education bespeaks the possibilities of acquiring that extra something which exceeds the text book.

Your class has set the pace for others. Your contributions to North High will be emulated by those who come after you. The legacy of involvement does not terminate with Commencement. But rather, it is the touchstone for you and others.

As I review your career at North, I can only conclude that you, as a group, will attain those elusive goals that never come quickly enough. Foundations for those goals are built today, not in all your tomorrows. That which you do now helps construct that framework of success that will surely be yours. Best wishes and Godspeed.

We know the sigh of relief that comes at the end of your final exam. Long years of study behind you, and a big wide world ahead.

But even at that it isn't the final test or the end of your learning. The biggest tests still face you in the choice and fulfillment of your life's work. Many plan for college, some must reckon with the armed forces. Others will seek positions in industry, trade, business. We, at Dennison, congratulate you on your past accomplishments; if your future plans call for steady employment or summer work, we'll be glad to discuss your problems with you.

Our Employment Department will welcome the chance to outline opportunities existing in our offices, factory, and warehouse.

RECIPE FOR HAPPINESS

Take one cup of kindness, add a substantial portion of patience and mix well with the Golden Rule. Put in a generous amount of hard work and determination, along with an equal portion of fair play. Pour into a mold of friendliness and warm with a cheery attitude.

Remove all seeds of hate and sift out irritableness and any old grudges. Trim off self-importance and self depreciation. Cut away indifference, intemperance and fear. Then sprinkle well with faithfulness and love.

If you follow this recipe precisely, you will find it makes life appetizing, l satisfying, and easily digestible. Try it.

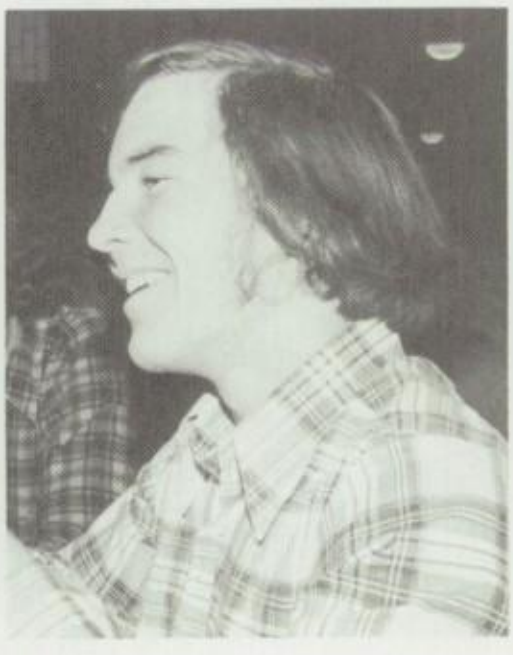
REFLECTIONS

Time it was,
and oh, what a time it was . . .

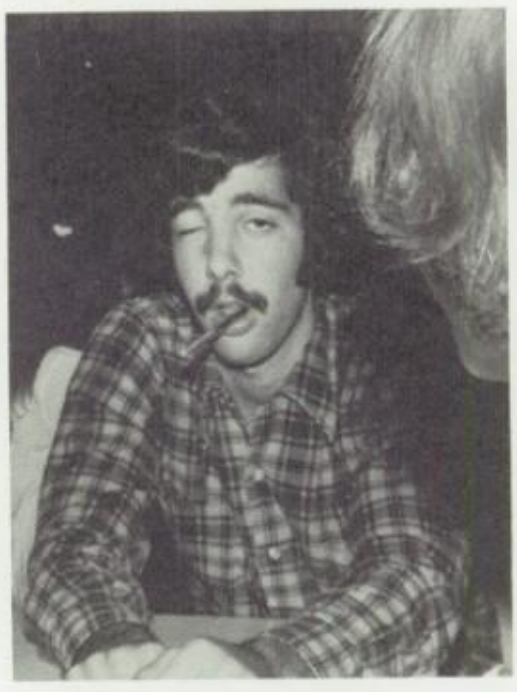


. . . It was a time of innocence,
a time of confidences,
a time of decisions,
a time of becoming
what we chose.

It wasn't always
easy . . .

but with help from friends,

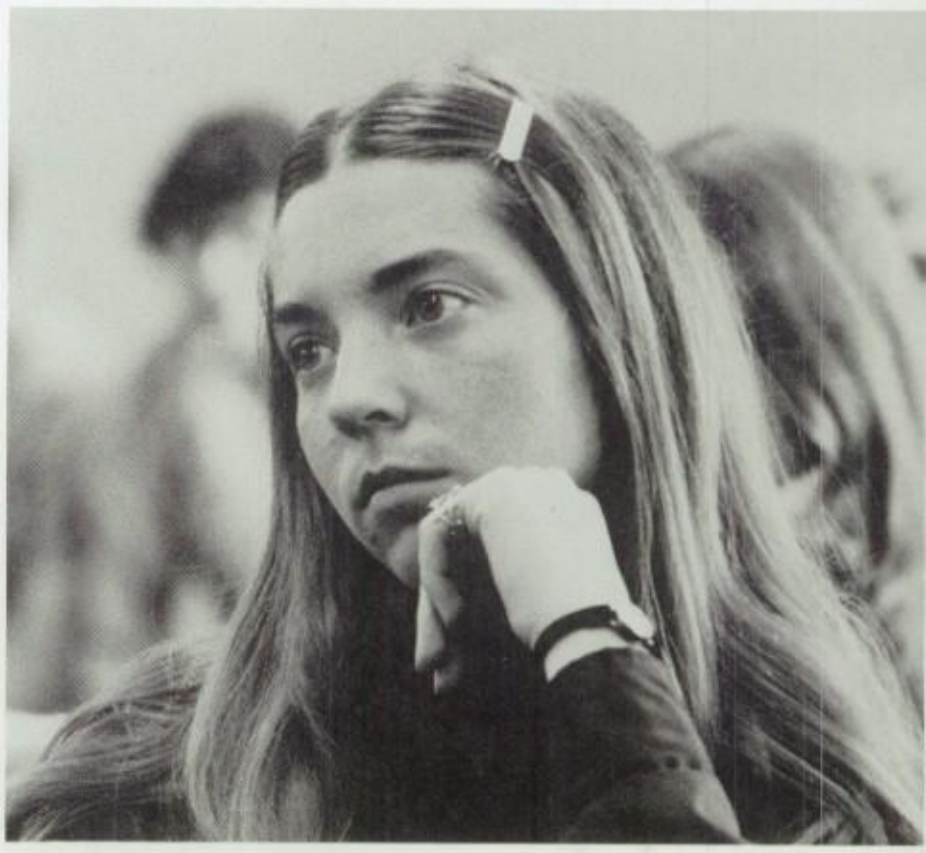
determination,

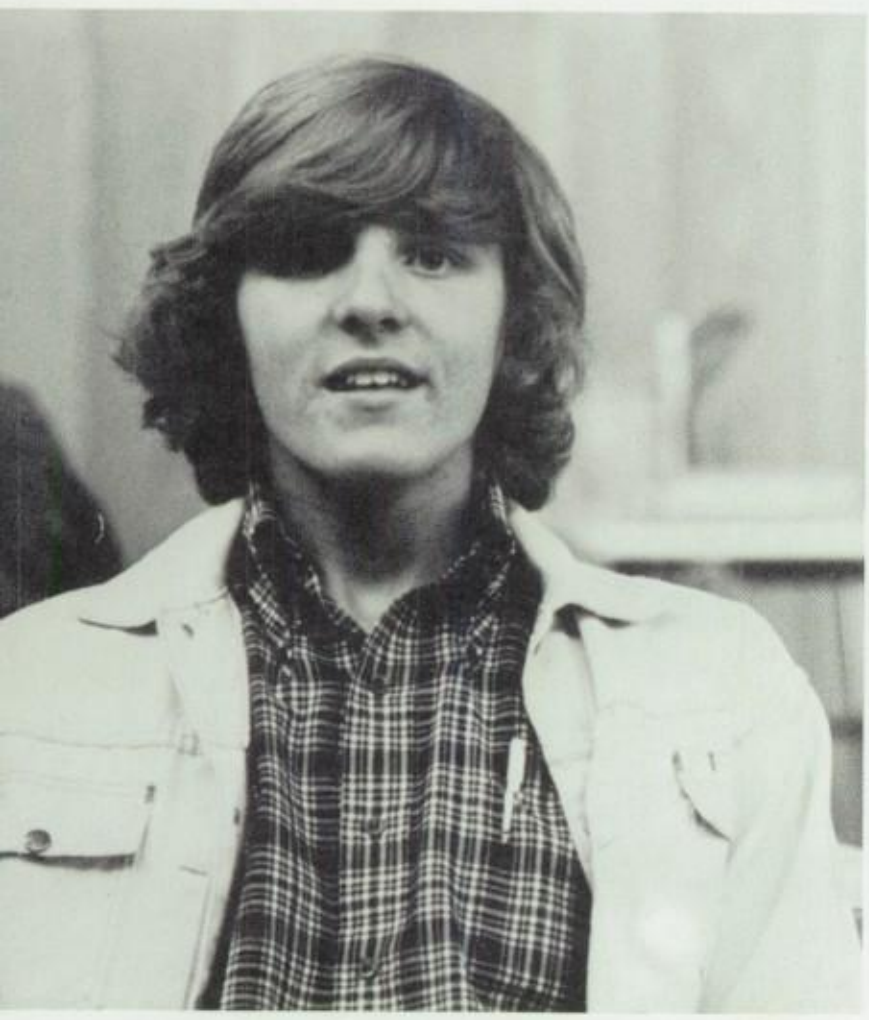


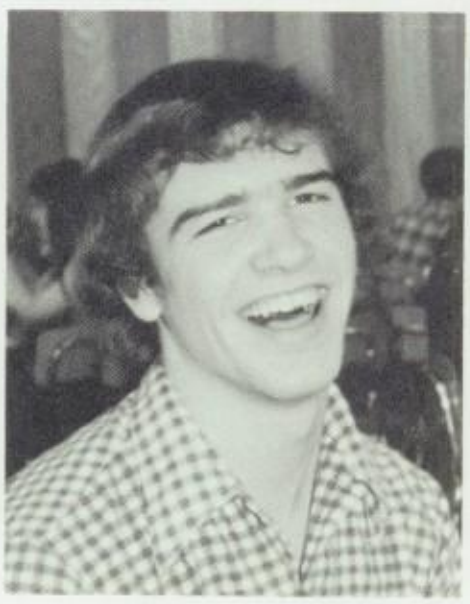
and a little luck . . .

We made it!

Our memories of this time
will be a reflection of
what we contributed to
our school.



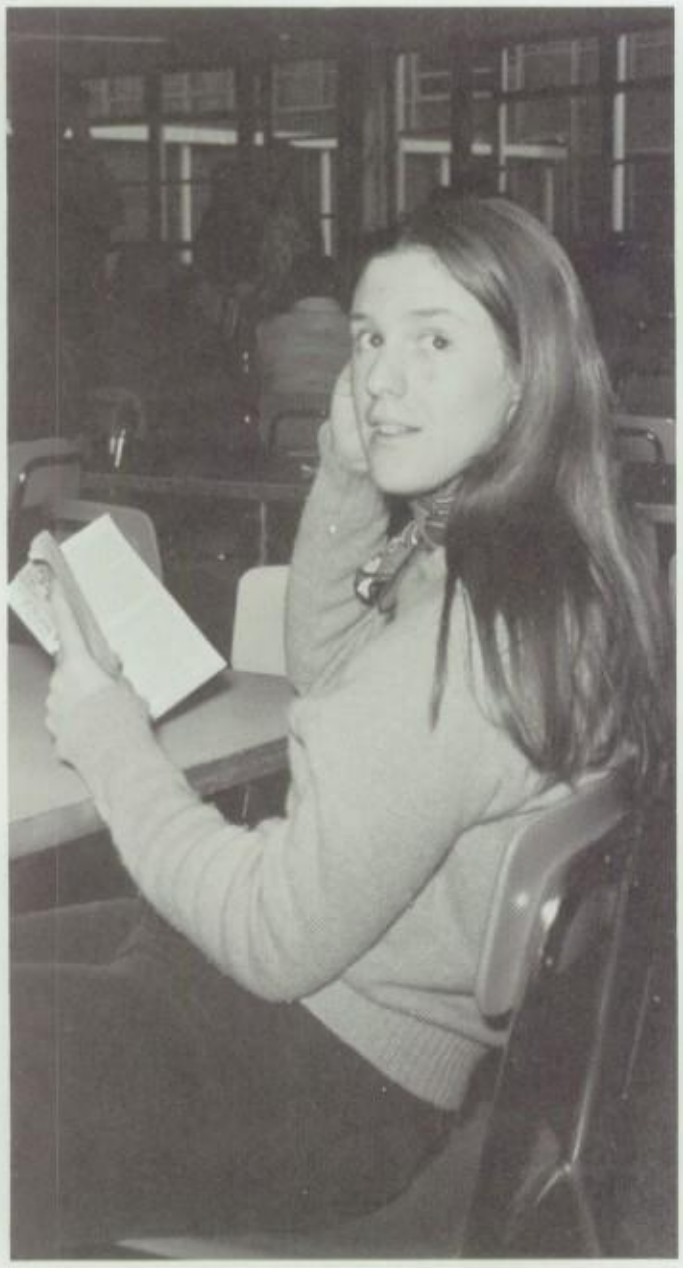


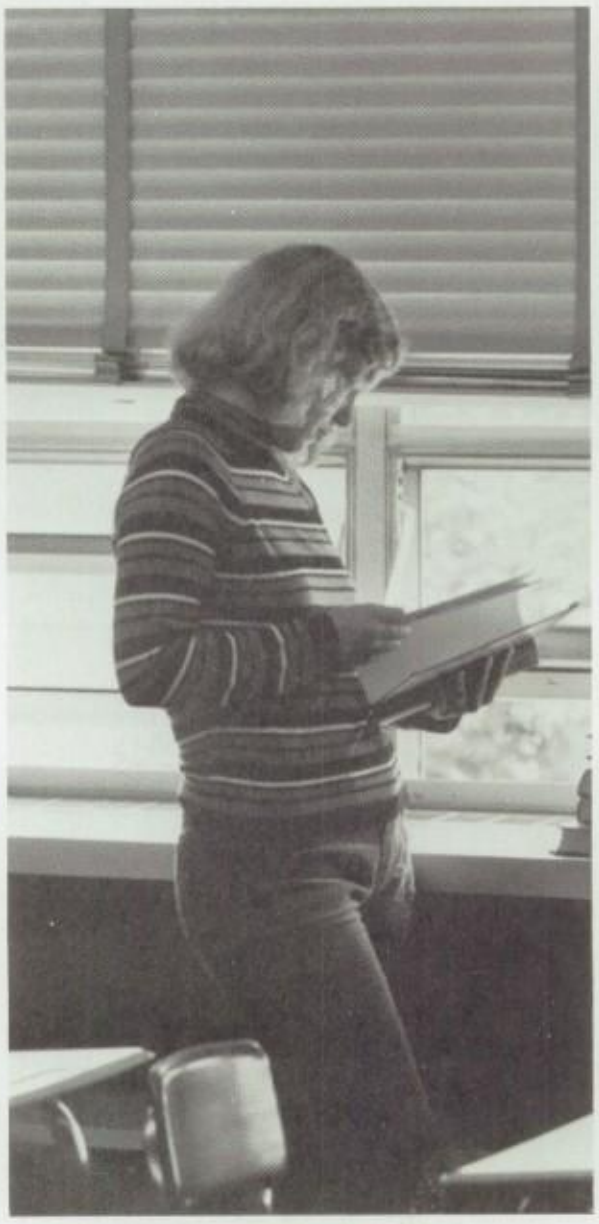


Some of us gave of our knowledge,
some of our athletic ability . . .

. . . and some gave
a much needed smile

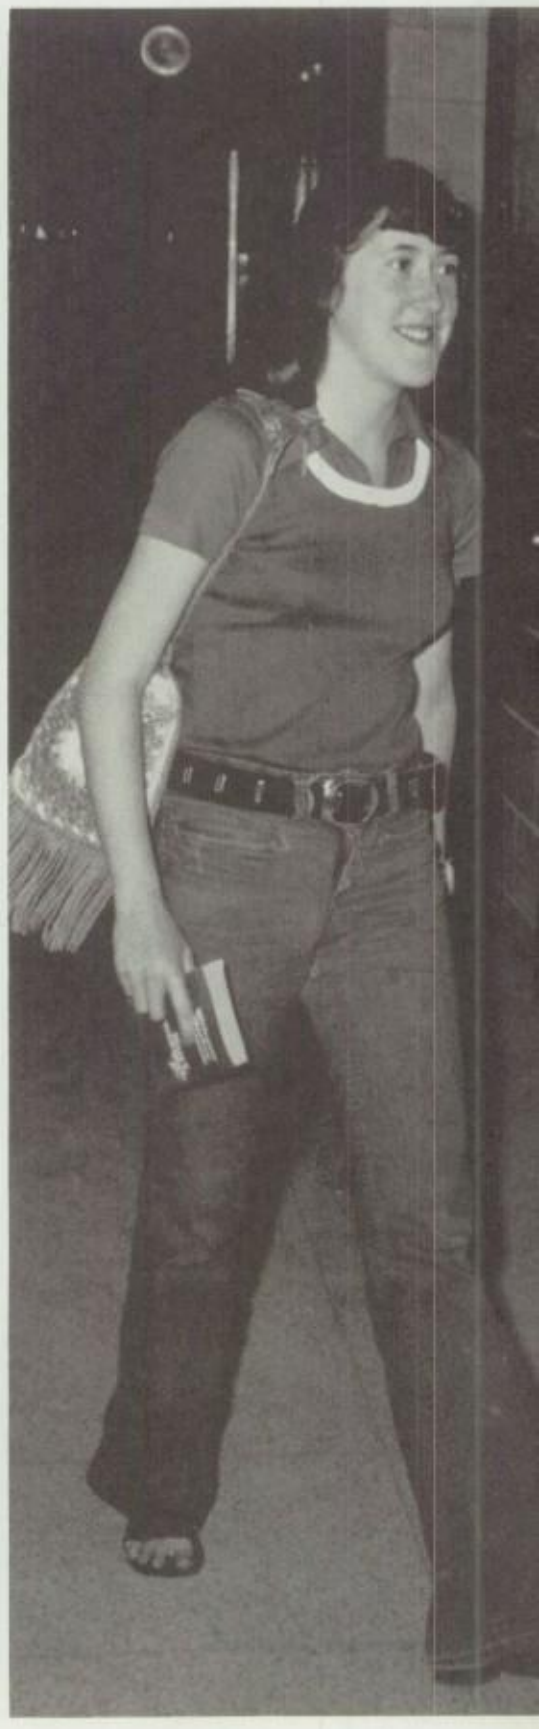
. . . And in this sharing



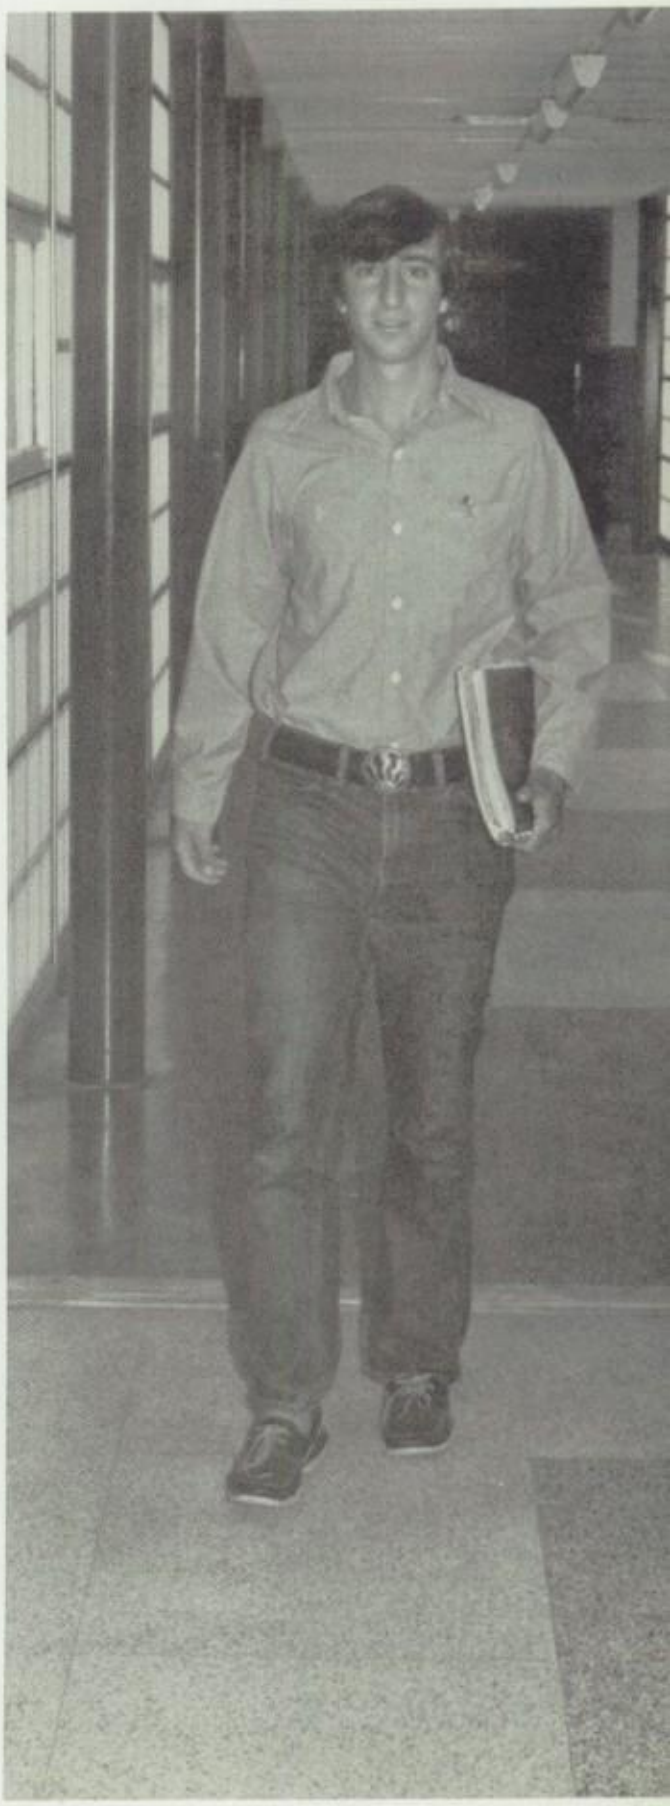


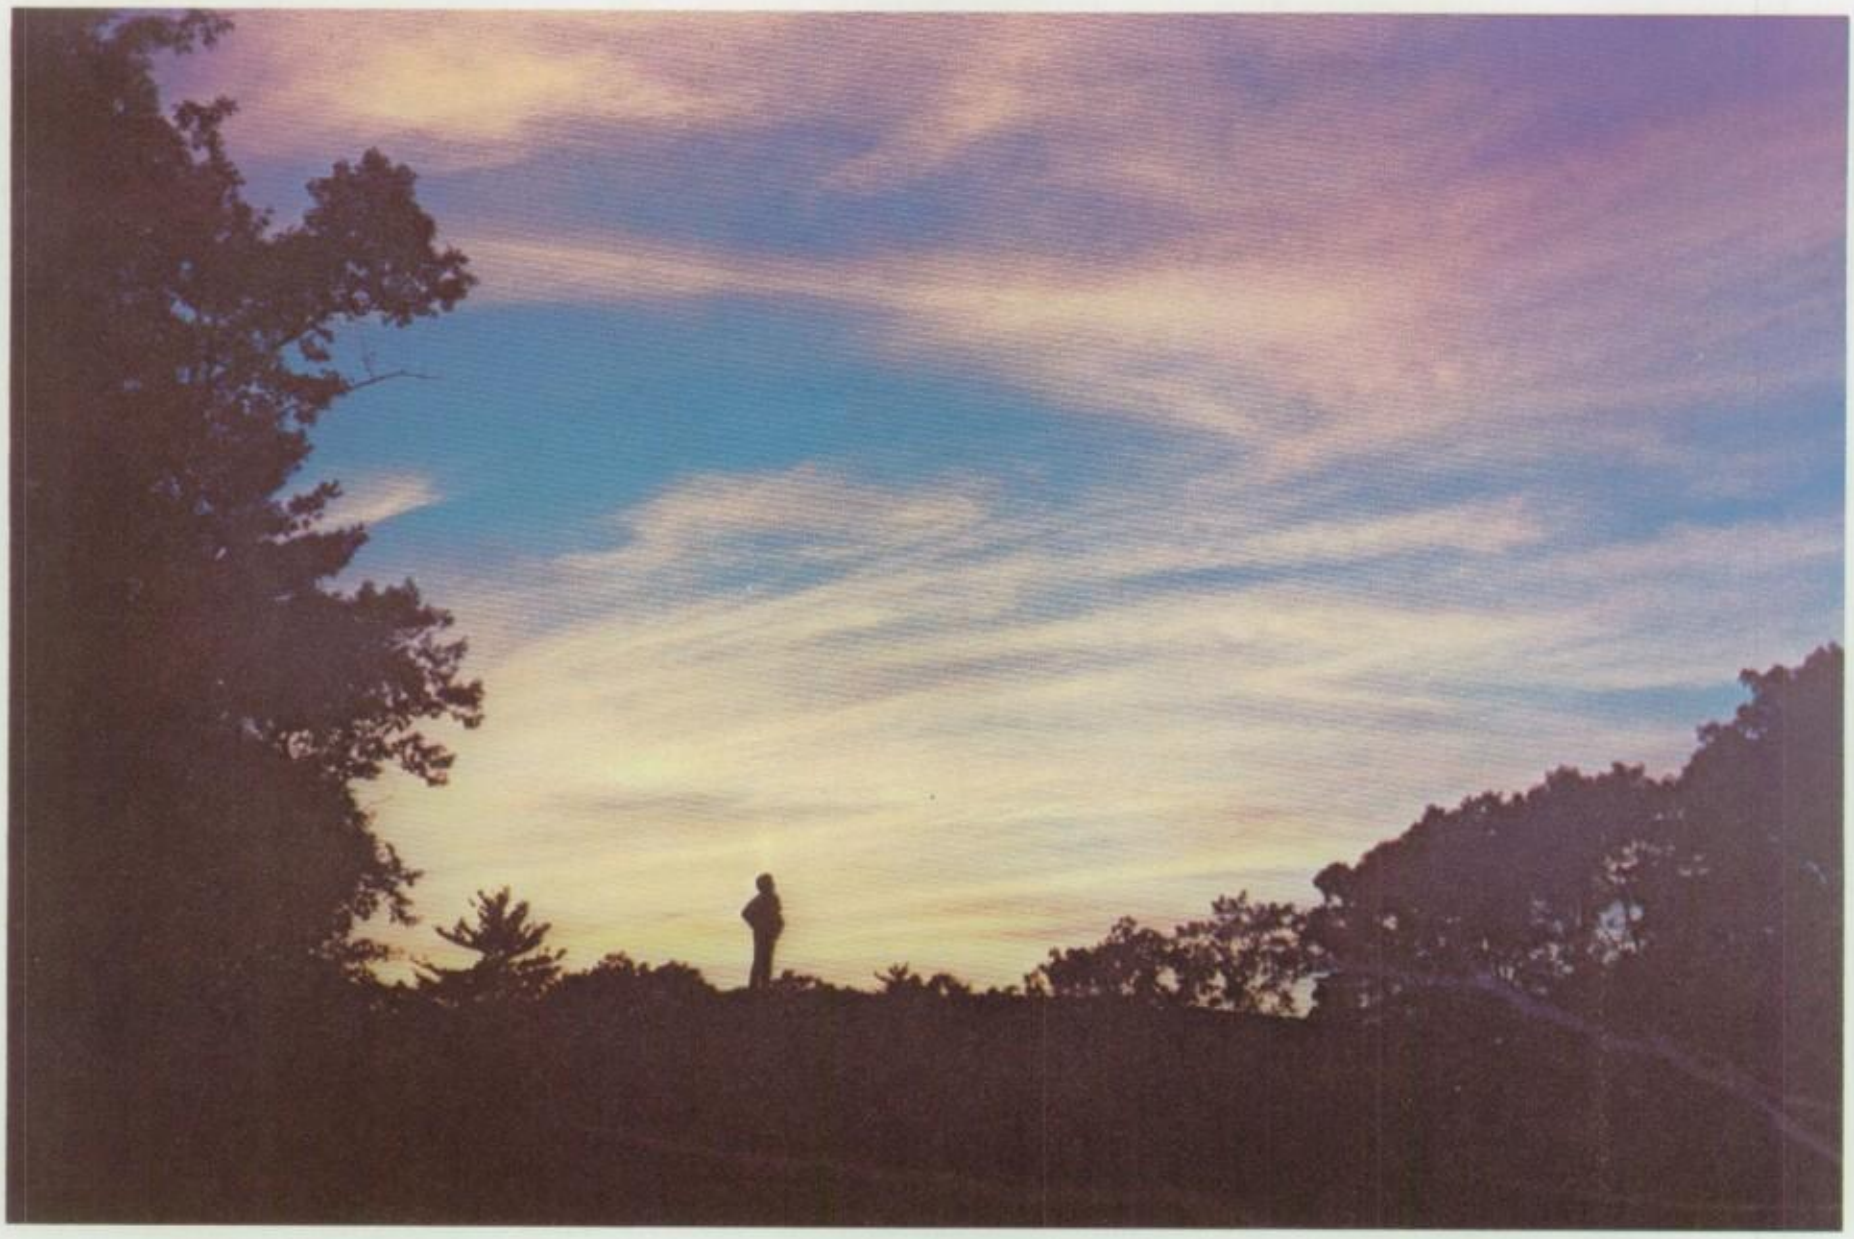
we've become so much in so little time.

We approach the future with an awareness of what we are now and a hope for what we will be.



And we leave the past behind with the realization that every end is a new beginning.





"Climb every mountain,
Ford every stream,
Follow every rainbow
'Til you find your dream."
